What is I-Day and Why Should I Attend?

The New Jersey and Central New Jersey Chapters host an annual All Industry Day (I-Day). Join your fellow chapter members for a day of networking, education, and to congratulate those who have recently earned the CPCU Designation.

If you have attended previously, welcome back. For those who have never attended, we welcome you to attend. We look forward to seeing everyone in person at I-Day.

A basic agenda of I-Day is below.

- **Networking** – Meet and network with others during our networking breakfast, during session breaks and during the conferment luncheon.
 - **Education** – Earn CPCU CEU and NJ state P&C Continuing Education credits during most sessions.
 - **Conferment** – Help us congratulate New Designees during the Conferment luncheon.
 - **Keynote** – The day concludes with a keynote presentation after the Conferment ceremony.
-

Reach New Heights

The Institutes CPCU Society delivers an incredible three-day experience filled with networking, cutting-edge technical education, leadership development, inspiring keynotes, the joy of conferment, and a few surprises along the way.

Join us at In2Risk 2024 at *Disney's Coronado Springs Resort* in Lake Buena Vista, Florida, this Nov. 7–9.

Past Events

An Inspiring Session on Executive Presence by NJ CPCU Board

On Tuesday, July 30, EverestRe's Women's Networking Group (WNG) was electrified by an empowering session on "Elevating Your Executive Presence," organized by NJ CPCU Board Member Juliette Pitt, who is a member of the WNG. Executive Director Rita Williams-Bogar led the session. The event was a resounding success, with a full house of engaged and enthusiastic participants. Rita captivated the audience with insightful strategies and practical tips. Among the attendees was NJ CPCU Chapter member Julie Sealy, who contributed to the vibrant discussion. It was a day of inspiration, growth, and powerful networking!

Leadership Opportunities

Would you like to be more involved in the Chapter? Would you like to broaden your network of contacts within the industry? Are you looking for a leadership position to add to your resume?

Why not consider joining the NJ Chapter's leadership team? There are leadership positions available for motivated individuals; we will find a way to best utilize your special interests or talents; maybe you want to help recruit new members or participate in college job fairs to introduce students to opportunities in the insurance industry, or help with social media outreach, or aspire to become an officer in the organization. You may think that volunteering for a leadership position will take a lot of your time, but the reality is that you can dedicate as much time as you are able.

If you would like to learn more about the opportunities available, please contact chapter President, Rich Morales [via email](#).

Corporate Partnerships with NJ CPCU

- Are you a hiring manager or learning & development leader in your company?
- Are you an employee that wished their employer did more to support the CPCU designation and your involvement in NJ CPCU chapter activities?
- Are you an employer looking for exposure to the top 5% of Insurance Industry Professionals in North Jersey?

A partnership with the NJ CPCU chapter is what you need. We're looking to meet with decision makers at the organizations that employ our members. The NJ CPCU leadership team has developed a unique value proposition that can help develop new hires, staff open positions, cultivate leaders, and create a pipeline of tailored employee prospects. All the while, we can offer these benefits while helping to reduce the expenses employers associate with all of these functions. Interested? Contact our leaders and we can set up a time to meet/talk.
