What is I-Day and Why Should I Attend?

The New Jersey and Central New Jersey Chapters host an annual All Industry Day (I-Day). Join your fellow chapter members for a day of networking, education, and to congratulate those who have recently earned the CPCU Designation.

If you have attended previously, welcome back. For those who have never attended, we welcome you to attend. We look forward to seeing everyone in person at I-Day.

FREE for new designees!

A basic agenda of I-Day is below.

- **Networking** – Meet and network with others during our networking breakfast, during session breaks and during the conferment luncheon.
- **Education** – Earn CPCU CEU and NJ state P&C Continuing Education credits during most sessions.
- **Conferment** – Help us congratulate New Designees during the Conferment luncheon.
- **Keynote** – The day concludes with a keynote presentation after the Conferment ceremony.

Leadership Opportunities

Would you like to be more involved in the Chapter? Would you like to broaden your network of contacts within the industry? Are you looking for a leadership position to add to your resume?

Why not consider joining the NJ Chapter's leadership team? There are leadership positions available for motivated individuals; we will find a way to best utilize your special interests or talents; maybe you want to help recruit new members or participate in college

job fairs to introduce students to opportunities in the insurance industry, or help with social media outreach, or aspire to become an officer in the organization. You may think that volunteering for a leadership position will take a lot of your time, but the reality is that you can dedicate as much time as you are able.

If you would like to learn more about the opportunities available, please contact chapter President, Rich Morales [via email](#).

Corporate Partnerships with NJ CPCU

- Are you a hiring manager or learning & development leader in your company?
- Are you an employee that wished their employer did more to support the CPCU designation and your involvement in NJ CPCU chapter activities?
- Are you an employer looking for exposure to the top 5% of Insurance Industry Professionals in North Jersey?

A partnership with the NJ CPCU chapter is what you need. We're looking to meet with decision makers at the organizations that employ our members. The NJ CPCU leadership team has developed a unique value proposition that can help develop new hires, staff open positions, cultivate leaders, and create a pipeline of tailored employee prospects. All the while, we can offer these benefits while helping to reduce the expenses employers associate with all of these functions. Interested? Contact our leaders and we can set up a time to meet/talk.
